Fundraising for Michigan Nonprofits During a Pandemic: A Regional Round-up
June 2, 2020 from 12:00 - 1:30 PM

- 01:21:29 Michael Montgomery: Coming up soon on Audience Questions -- if you have one, please post it here -- we will recognize you to unmute and ask it when we get to that part of our program.
- 01:21:37 Steve Ragan: It really is encouraging to hear how each community is responding so strongly. We rarely get to hear that perspective across different regions.
- 01:45:35 Steve Ragan: I believe it is nonprofitnetwork.org
- 01:56:18 Sarah Dysinger: We will read the questions and have the panelists answer them.
- 01:57:56 Laurie Baumer: I was asked to answer a question for everyone in chat. "Is it your opinion that orgs should be sending out more direct mail right now?" Maybe a little more, but more important is increasing 1:1 conversations with your donors.
- 02:01:59 Sarah Dysinger: Thank you everyone for attending this webinar! We will be sending a follow up email tomorrow with your Continuing Education Tracker as this webinar was approved for 1.5 CE credits towards your CFRE
- 02:03:26 Katie Howicz: Thank you to all the panelists for supporting our Michigan communities!
- 02:03:29 Sarah Dysinger: sdysinger@afpdet.org for questions you want answered
- 02:03:44 PaulaD: Thank you!
