QUOTE FROM SCHOLAR

“Attending AFP ICON as a Chamberlain Scholar on the verge of a transition into a leadership role was an invaluable gift. The ability of this community to come together, share resources, and inspire one another is unparalleled. It provided me with the tools to elevate my craft and instill a respect for this work into my organization.”

QUOTE FROM SCHOLAR

“I am very grateful for the Diverse Communities Scholarship which afforded me the opportunity to attend the conference. It was a very enlightening and worthwhile experience that enabled me to meet so many development professionals and vendors whom I would not have had the chance to meet. The sessions were very interesting and taught me many ways I can endeavor to work smarter, not harder, which is hugely important to me working in a 1 person development shop in a small, community day school with a limited professional development budget.”

—Patti Secman, MBA, AFP VA, Hampton Roads Chapter, Director of Development, Hebrew Academy of Tidewater
