The Chamberlain Scholarship covers registration for the International Conference. You will need to register for the \$10 scholarship fee. You will be contacted by AFP HQ with registration information in spring 2026. All Chamberlain Scholars qualify for the discount conference registration rate regardless of when they register. Chamberlain Scholars are responsible for registering for the conference and making all travel and lodging arrangements.

Your local AFP Colorado Chapter also provides a \$500 travel stipend for travel and hotel expenses.

If you are awarded the scholarship, you/your organization will need to cover the remaining travel expenses to attend the 2026 conference in San Diego. Those expenses are estimated to total around \$2,500 for airfare, hotel, transportation, and meals.

I am employed as a full-time fundraising professional or spend at least fifty percent of my time fundraising for my employer. I have never attended an AFP International Conference on Fundraising and I understand that only one individual from my local organization can be selected.
