Inclusifying the Nonprofit Boardroom

Diversity, equity, and inclusion (DEI) play important roles in the nonprofit boardroom. Whether in the hiring of the executive, the determination of strategy, the allocation of resources, or the goal of serving the community with authenticity, the board’s leadership on diversity, inclusion, and equity matters. Together we will explore best practices in assessing your board’s DEI gaps and opportunities, practicing equitable board recruitment, and retention methods to inclusify your boardroom.
