Hurry! Last Chance to Apply for the 2021 AFP Mentoring Program!

The application deadline has been extended to March 12th. Don't miss out on this year's Mentorship Program! This 6-month program is for those looking for a professional mentor to help develop skills, grow their career and expand their professional network. The program will begin in April and run through September, offering the opportunity for professional development, connection and scholarships for future educational events.

Testimonial from Protégé Mary Ellen Williams:

"The AFPCC mentoring program came at the right time for me. I'm a novice in fundraising, and my mentor helped me understand the nuances as well as the mechanics of fundraising. Best of all, it transitioned into a working relationship to advance Foothills Art Center's development program. It's a win-win."
