

## Thursday Thoughts

### Our Hearts Go Out To Boulder

Last week, ten precious lives were lost in a senseless act of violence in Boulder. The AFP Colorado Chapter stands with the fundraisers and nonprofit leaders of Boulder during this time of great tragedy. We know that the nonprofit community is on the front lines in so many ways, from incident response to crisis counseling to victim advocacy and so much more. We also know that in a small and tight-knit community each of you is suffering tremendous grief of your own.

To the family, friends and community impacted by these lost lives, we mourn with you.

shifting state of the pandemic and out of a desire to support safety and health for our global community, AFP has determined a fully virtual conference is the best choice this year. This also means it is more widely accessible to everyone!
