Support Philanthropy in Colorado

Did you know that National Philanthropy Day is celebrated every year at over 130 AFP Chapters nationwide? AFP Colorado Chapter has recognized the important work of Colorado's giving community, highlighting outstanding individuals and organizations from communities throughout our state, for more than

30 years. You can be a part of this effort by sponsoring NPD this fall. As a sponsor, you will show your support for philanthropy in Colorado, while promoting your brand presence.

We have a variety of investment levels available, starting at \$500 and going up to \$5,000. Click here to [view all the sponsorship opportunities](#) with AFP Colorado Chapter in 2021, including NPD. Or contact [Cindy Grubenhoff](#), VP of Sponsorship, with inquiries or questions.

AFP Colorado October Education Session

Many Colorado nonprofits are fearful to diversify their boards yet in today's age we know that it's not only important but ethical! Join us for a panel conversation with **Verònica Figoli** (Accion Opportunity Fund), **Aaron Clark** (Equity Solutions) and **David Portillo** (The Denver Foundation), and moderated by **Nia Wassink** (Mission Launch). We will discuss how your organization and leadership can support board diversity as well as how to get started in implementing a succession plan and making change. Invite your board leadership to attend and tune into this important conversation.

We hope you can join us **LIVE** at the Denver Museum of Nature and Science for this event. This is a hybrid event so there will be a virtual option to attend as well.
