AFP October Education Session: Building A Diverse Board to Serve

Many Colorado nonprofits are fearful to diversify their boards yet in today's age we know that it's not only important but ethical! Join us for a panel conversation with **Verónica Figoli** (Accion Opportunity Fund), **Aaron Clark** (Equity Solutions) and **David Portillo** (The Denver Foundation), and moderated by **Nia Wassink** (Mission Launch). We will discuss how your organization and leadership can support board diversity as well as how to get started in implementing a succession plan and making change.
