

Another difficult year is ending and all of you in the nonprofit sector have performed admirably. You showed resilience, creativity and passion in the face of another year of constant changes and challenges. You furthered your mission and made Colorado a better place for everyone to live and work.

A virtual hug of gratitude to everyone in the AFP community: our members, community of nonprofit professionals, volunteers, sponsors, board members and staff. As we are gathering with our loved ones this holiday weekend, we

are looking forward to working with you in the forthcoming, hopefully, last year of this pandemic. We are strong together.

Thank you for all the good you bring to the world!
