Help Our Neighbors In Need!

On December 30, 2021 a stormy day turned into catastrophe. We encourage you to support our neighbors that have lost their homes and everything else in the most destructive wildfire in state history. Please donate to the Boulder County Wildfire Fund. If you want to help in other ways, the Boulder Beat has a resource page. Local Congressman Joe Neguse, has a resource page for people that need help. Another great resource is the Boulder Office of Emergency Management.

A big Thank You to all first responders who so valiantly acted on this otherwise horrible day.

Butterfly Pavilion - Capital Campaign Coordinator
January is National Poverty Awareness Month. We will share a Member Moment each January newsletter introducing AFP members working on addressing problems and challenges that come with a lack of opportunities. Poverty is not always visible on the surface. The Center for American Progress collects poverty indicators for each state. The Kids Count report is the gold standard for every challenge our children are facing.

Care and Share Food Bank for Southern Colorado

What does your organization do that you are excited about?

*Care and Share Food Bank distributes food to a network of 270 partner agencies across 31 counties in Southern Colorado. By doing this, Care and Share is able to provide*
nutritious food to over 200,000 neighbors needing support. I’m particularly excited about our direct services programs of Mobile Markets and Pantries and our Sunnyside Markets where we can interact directly with our neighbors and really connect with their needs. I’m a member of both the Colorado and Southern Colorado Chapters because I believe it’s important to support education throughout the state.
