The Chamberlain Scholarship covers registration for the International Conference. You will need to register for the scholarship fee of \$10. You will be contacted with registration information from AFP HQ in spring 2024. All Chamberlain Scholars qualify for the discount conference registration rate regardless of when they register. Chamberlain Scholars are responsible for registering for the conference and making all travel and lodging arrangements. **You will also need a passport to travel to Canada.**

Your local AFP Colorado Chapter also provides a \$500 travel stipend to go towards travel and hotel expenses.

If you are awarded the scholarship, you/your organization will need to cover the balance of travel expenses for you to attend the 2024 conference in Toronto. Those expenses are estimated to total around \$1,000 for airfare, hotel, transportation, and meals.

I am employed as a full-time fundraising professional or spend at least fifty percent of my time fundraising for my employer. I have never attended an AFP International Conference on Fundraising and I understand that only one individual from my local organization can be selected.
