In times like these, it is crucial that we as an industry collaborate, share, and touch base on all the rapid changes we - and those we serve - are experiencing. As such, planning for AFP's annual conference for fundraising professionals, Rocky Mountain Philanthropy Institute (RMPI), is moving forward while we explore alternative ways to safely bring the industry together this September 10th and 11th.

To best serve our communities, we're counting on Change Makers like you to share your expertise - please [apply](#) to speak at RMPI today.
