CARES Act Passes: New Federal Legislation Your Nonprofit Should Know

On Friday, March 27, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law, a \$2 trillion coronavirus economic stimulus bill.

Here are a few key provisions included in the bill and what that may mean for your nonprofit:

- **Small to Midsized Nonprofits:** Nonprofits with 500 employees or fewer that maintain their payroll can receive loans that are forgivable, essentially making this a grant.
- **Larger Nonprofits:** Nonprofits having between 500 and 10,000 employees can qualify for a loan through a new Industry Stabilization Fund. These loans cannot be forgiven; however, there are interest rate restrictions.
- **Nonprofits of Any Size:** Through the existing Economic Injury Disaster Loans (EIDL) program, nonprofits are eligible for loans at an interest rate of 2.75 percent.
- **Charitable Giving Incentive:** A one-time, above-the-line deduction for charitable contributions of up to \$300.
- **Other Programs:** Self-Funded Nonprofits and Unemployment, Employee Retention Payroll Tax Credit, and Suspension of RMDs.
