

AGRiP Conference Registration Policies

Before registering for an AGRiP event, log into the AGRiP website and [validate your personal information](#) on the “My Information” page.

All event registrations must be completed online. You will receive a confirmation email upon successful registration.

There is a cutoff date established and published for registration to any AGRiP conference event. Registrations after the published date will be accepted subject to availability and assessed a \$100 late fee.

Onsite registration is subject to availability and is assessed a \$100 late fee.

Registration for single event days or partial events are not allowed, except as shown in the online registration system.

Acceptance of Risk: Registrants acknowledge and understand there are risks associated with AGRiP conferences and are participating in AGRiP events for their own benefit, either voluntarily or based upon employer assignment. When you register for and attend an event, you agree to hold harmless AGRiP, its officers, employees, representatives and agents from any and all alleged and/or actual liability, claims, actions, lawsuits, damages or losses from any source.

Registrants also specifically understand and assume attendance risks that exposure to and contraction of COVID-19 and/or other illnesses may result from actions, omissions, or negligence of yourself and others. When you register for and attend an event, you agree to hold harmless AGRiP, its officers, employees, representatives and agents from any and all alleged and/or actual liability, claims, actions, lawsuits, damages or losses from illness, COVID-19 or otherwise, that may arise out of or as a result of your participation.

Guest Registration Guest registrations are allowed as shown in the online registration system. Colleagues or associates in the industry do not qualify. Guests may not attend any educational sessions or conference areas dedicated to networking.

Member Pricing AGRiP member pricing is only available to members in good standing at the time the registration is made and at the time of the event. If an individual or organization has allowed AGRiP membership to lapse, they will be required to pay the non-member rate, unless renewal of the lapsed membership is made at the time of registration.

Payment Payment for all registrants must be paid before the event.

Onsite registrants will be emailed an invoice with payment due upon receipt. Payments will not be accepted on-site.

AGRiP accepts checks, ACH, and the following major credit cards: Visa, MasterCard, Discover, and American Express. Payment instructions are provided upon successful registration.

Cancellation All registration cancellations must be made to billing@agrip.org by the posted date and will be assessed a \$100 administrative fee. Because AGRiP pays venue and related event expenses based upon projected attendance, refunds **will not** be given for cancellations received after the posted date or for no-shows.

Substitution Substitution of a registrant from the same organization is permitted. The individual submitting the substitution request is responsible for all financial obligations (any balance due) associated with that substitution. Submit substitution requests to billing@agrip.org.

Event Transfer Each AGRiP event is uniquely planned, accounted for, and contracted. Registration for an AGRiP conference event may not be transferred to apply to a future event. If you need to cancel a registration after the posted date and cannot substitute another attendee from your organization, you **will not** receive a refund and your registration fee **may not** be applied to a future event.

Consent to Use of Photographic Images Registration and attendance at AGRiP events constitutes an agreement by the registrant to AGRiP's use and distribution (both now and in the future) of the registrant or attendee's image or voice in photographs, videotapes, electronic reproductions and audiotapes of such events and activities.
