AGU
ADVANCING EARTH
AND SPACE SCIENCES

**Earth and Planetary
Surface Processes**

Hi All,

Welcome to the June EPSP newsletter. We're writing to share a few updates with you.

AGU26 Updates

AGU26 is coming up on 7 - 11 December in San Francisco, CA. Abstract submissions will open in mid June and stay open until 5 August. We currently have 36 EPSP session proposals that will be open for submission. You can keep up to date on the latest updates on the [AGU26 website](#).

Members of Indigenous Communities: Apply for No-Cost Registration and Waived Abstract Submission to AGU26

Members of Indigenous Communities: AGU offers no-cost registration to attend the AGU26 Annual Meeting in December to 100 AGU members who self-identify as members of an Indigenous Community anywhere in the world. Applications are now open and will close on 30 July 2026. If your application is accepted, you'll use the registration portal to register for the meeting at no cost.

[Learn more and apply now.](#)

EPSP Connects

EPSP Connects will be hosting a seminar with Muriel Brückner (Louisiana State University) on June 17 at 08:00 San Francisco, 11:00 New York, 17:00 Berlin, 23:00 Beijing. The seminar is titled, *Modeling Morphodynamics in Estuaries and*

Deltas and their Feedbacks with Ecosystem Engineering. Check the [EPSP Connects website](#) for updated information.

Student Committee Updates

Welcome to our new student committee members: Cameron Sanderson, Cole Lombardi, Elnaz Aghaali, Makenna Harris, Nima Zafarmomen, Rachel Breunig, Tanya, Yating Li, Cynthia Sun, and Varsha Natarajan. We also want to thank out our outgoing student committee members (Lucille Baker-Stahl, Abhishek Ghimire, Lauren Guido, Thiruni Thirimanne, Aditi Roy, and Aditi Ravi) for all their service! Stay up to date on happenings of the student committee [on our website](#).

Thanks to our Canvassing and Awards Committees!

We wanted to extend a big thanks to our Canvassing Committee (Isaac Larsen and Doug Edmonds) and our Awards Committee (Jon Major, Andrew Gunn, Hongbo Ma, Pat Wiberg, Gen Li, Mathieu Lapotre, and Missy Eppes) for helping with all aspects of the awards process from helping to encourage nominations to evaluating nominations and selecting winners. Our EPSP Award winners will be announced in early September. And just a reminder, it's never too early to start thinking about members of our community to nominate for awards in the next cycle. The call for 2027 awards will go in late 2026.

Help with EPSP Social Media (BSKY and Instagram)!

We're looking for a few folks to help us with our website and social media. If you're interested in joining our volunteer team to help out, please e-mail [Susannah Morey](#) for more information.

Stay Connected with EPSP

As a reminder, in addition to this newsletter, we make many EPSP-related announcements on our Bsky account ([@aguepsp.bsky.social](#)), Instagram account ([agu_epsp](#)), as well via the [Gilbert Club](#) and [IAG Geomorph-List](#) (GEOMORPH-L) community list-servs (which are both great ways to stay up to date with the broader geomorph community as well).

AGU is a global community supporting more than half a million advocates and professionals in the Earth and space sciences.
