8:45am-3:00pm

Access and Supports to Students with Mental Health Conditions: Legal and Programmatic Perspectives

Featured Speakers: Ms. Eve Hill/Leading Disability Attorney
Ms. Barbara Blacklock/Leader in Disability Services and Mental Health

Participant Outcomes:

- Understand the legal rights of students with mental health conditions
- Understand how those rights play out in common situations in higher education
- Learn strategies for welcoming, identifying and accommodating students with mental health disabilities to their campuses
- Identify tools for addressing complex accommodations
- Understand the benefits of using a public health approach and partnerships to reduce environmental barriers for students with mental health disabilities.
