STUDENT

WSU

Students need to present accessible content too! KSARN helps support you with necessary student-facing training in topics such as:

- Impairment Awareness
- Accessible face-to-face Presentations
- Creating Accessible Digital Documents
- Creating Accessible Video

TRAINING INSTRUCTORS

Instructors need on-demand, practical accessibility training. KSARN has you covered with training in many areas including:

- Accessible Online Presentations
- Remediating Documents for Accessibility
- Assistive Technology Basics
- Accessible Conference Presentations

TRAINING THE WORKFORCE

83% of employers surveyed by the Partnership on Employment and Accessible Technology (PEAT) see a moderate or significant increase the need for skills in accessibility. KSARN helps get those skills into the workforce and communicate them with non-credit badges issued through Credly.

- Most trainings take less than 30 minutes and all are self-paced and fully online
- Each class is targeted and skills-based
- A score of 85% or higher on the accompanying assessment leads to a Credly badge
