Shine the Light on Abilities:
10 Ways to Promote Disability Awareness on Your Campus

- Luncheons and breakfasts-on-the-go (speakers, presenters, activities).
- A Disability Resource and Assistive Technology Expo.
- Performances: Disability dance group, disability theatre group.
- Round table panel discussions: topics include invisible disabilities, sexuality and disabilities.
- Holiday luncheons: Host holiday luncheons in your office for the campus community and chance to showcase your office.
- Brailing and Assistive Technology Demonstrations.
- Adaptive sports-team competitions and demonstrations including wheelchair basketball, seated volleyball, goalball, adaptive tennis.
- Movies with disability-related themes, with discussion.
- 5k run to highlight disabilities.
- Open Houses: Open your Assistive Technology center, testing center, or your entire office to the campus community to highlight the many services offered.
