

Evaluators in the Twin Cities and Metro Area

*Inclusion on this list does not constitute endorsement from the University of Minnesota or the Disability Resource Center

**Always verify current insurance and payment details

Deborah Anderson, PsyD, LP

Anderson Psychological Services, LLC

612-374-2400

Woodhill Office Park

2155 Woodlane Drive, Suite 201

Woodbury, MN 55125

<http://andersonpsychology.com/>

Types of assessments: Neuropsych, LD, ADHD, mental health (depression, anxiety, OCD, mania, psychosis, chemical dependency)

DOES provide documentation for licensing and professional programs

Insurance: Not in network for UMN BC/BS student health plan but does accept other plans including HealthPartners graduate plan: <http://andersonpsychology.com/health-insurance>

Cost: \$2000 average – price is time-dependent; there is often a greater cost for licensing/profession program documentation as it requires more extensive testing.
No referral, no sliding scale.

Appointments during COVID-19: Remote for clinical appointments, In-person for testing

Wait times: Approximately 1 month

(Last updated December 2020)

Associated Clinic of Psychology

Multiple providers conduct assessments

952-378-1800

Multiple locations in the metro area

<https://www.acp-mn.com/>

Types of Assessments: LD, ADHD, Autism - type of assessment will depend upon provider.
No TBI.

Insurance: Accepts most major insurances (dependant upon provider). No sliding scale.

Without insurance - Intake appointment \$300 with each follow up costing \$175/hr

Does NOT provide specific documentation for LSAT, GRE, MCAT, etc. Does provide comprehensive report of results

Appointments during COVID-19: Telephone, telehealth, video sessions

Waitlist: No waitlist, typically booking 2 months out for intake appointment
(Last updated December 2020)

Autism Society of Minnesota

651-647-1083

2380 Wycliff St. #102

St. Paul, MN 55114

<https://www.ausm.org/ausm-services/counseling-and-consulting-services.html>

Types of assessments: Just ASD, can do a wide range of tests that might suggest ADHD, mental health, etc., but the tests are administered to look for ASD. They are able to do processing speed and IQ tests.

DOES provide documentation for licensing and professional programs

Insurance: Most all (BC/BS, Medica, United Healthcare, MA, Aetna, Cigna). Most insurance companies do not find ASD assessments “medically necessary” and are therefore unlikely to cover testing costs.

Cost: \$900-2500, depending upon service. Full diagnostic testing is more expensive.

Referral only necessary if insurance requires it. No sliding scale.

Appointments during COVID-19: Remote

Wait time: 3-4 month wait. Established clients (who use ASoM for other services) can get testing done sooner. Busiest times of the year are September-December and April-May.

(Last updated December 2020)

John Bailey, PhD, LP

Allina Health Northfield Clinic

507-663-9000 (choose Mental Health Clinic)

1400 Jefferson Rd

Northfield, MN 55057

<https://account.allinahealth.org/providers/457>

[Additional providers who do ADHD testing: William Hoekstra, Rory Feeney (temporary)]

Types of assessments: ADD/ADHD, mental health

Insurance: Most. As long as Allina is in-network, assessments will be covered. Does not cover people over age 65/MA not accepted.

Cost: Dependent on insurance coverage. Referral is required for ADHD testing. No sliding scale.

Appointments during COVID-19: Remote and in-person

Wait time: About 1 month. John Bailey does testing in three appointments: First appointment, second appointment is 2 weeks later, and third appointment is one week later. Busiest in fall/winter.

(Last updated December 2020)

CALM (Clinic for Attention Learning and Memory)

612-872-2343

1409 Willow Street, Suite 600

Minneapolis, Minnesota 55403

<https://calm.us/>

Types of assessments: Neurocognitive Assessments. LD, ADHD, ASD.

DOES provide documentation for licensing and professional programs

Insurance: BC/BS (most states), MA - MN Healthcare

Cost: \$2950 – all assessments are full assessments. No referral required. No sliding scale.

Wait time: Books out about 2-2.5 months. Slow periods are January/February and the end of summer.

No sliding scale or waitlist (except in summer waitlist of 4 to 6 weeks)

Appointments during COVID-19: In-person

(Last updated December 2020)

Learning Language Specialists

Kendra Woodworth, PsyD

763-545-7708, email info@learnandlang.com

1405 Lilac Drive, Suite 200

Minneapolis, MN 55422

Types of Assessments: LD, ADHD, Autism and Brain injuries

Experienced writing reports for Professional school admission exams and licensing exams

Out of Network for most insurance (cost: \$3,500 includes intake, testing and feedback session)

Waitlists generally 2 weeks

(Last updated June 2019)

David Morris, Ph.D.

651-439-4040

<http://davidmorrisphd.com/>

6381 Osgood Ave. N

Stillwater, MN 55082

Types of Assessments: LD, ADHD. Also offers related therapy and skills development.

Refers out for TBI.

DOES provide documentation for licensing and professional programs

Insurance: Private pay typically around \$2,700 - No cost difference for types of assessment or documentation needed, bills around 15 hours. No sliding scale.

Waitlist: Rarely but sometimes over a month

(Last updated June 2019)

Meg Spires, MSW, LICSW

Boynton Mental Health Clinic (4th floor)

612-624-1444 (Boynton Mental Health appointment line)

410 Church St S.E.

Minneapolis, MN 55455

<https://boynton.umn.edu/node/1466>

Types of assessments: ASD (clinical interviews and RAADS-R) – not comprehensive neuropsych testing.

DOES NOT provide documentation for licensing and professional programs

Insurance: Most insurance/any insurance accepted by Boynton Mental Health Clinic.

Visited are billed as a mental health visit.

Cost: Dependent on insurance. Most visits are covered 100%. Grad assistance health plan has a co-pay.

Appointments during COVID-19: Remote

Wait list: Takes over 1 month to book an appointment and up to another month to get final written results. Generally booked during academic year.
(Last updated December 2020)

Allen Stock, Ph.D., L.P.

612-799-6263, email: allenstock@comcast.net

www.alspecialists.com

Locations throughout the Twin Cities available, including St. Louis Park, Edina, Maple Grove, & Minneapolis

Types of Assessments: ADHD, LD, Autism, TBI

DOES provide documentation for licensing and professional programs

Insurance: No referral required. Accepts most major insurance providers

Cost: Will vary based on insurance. Dr. Stock will determine cost with patients and their insurance before assessment.

Appointments during COVID-19: In-person and remote, with limited telehealth appointments
Typically no waitlist

(Last updated December 2020)

Stone Arch Psychology and Health Services

Blake Malloy, M.S.

612-886-2524

<http://www.stonearchpsych.com/blake-malloy/>
