State & Local Involvement: A Strategy to Impact the Lives of Disabled People

Location: Meet in Exhibition Hall A, 3rd Floor

Join Jo Anne Simon, a member of the New York State Assembly, to learn more about ways to make your voice heard at the state level to defend disability rights protections in your state. Jo Anne will begin by sharing information on the legislative process and strategies for interacting with elected officials and becoming a go-to expert on disability issues in your state. After the 30-minute orientation in the Convention Center (you can bring your lunch and eat during this half hour), the group will walk/roll (or Uber/Lyft) the 0.4 mile to the Rhode Island State Capitol for a tour and meeting with one or more state legislators. Don't miss this opportunity to spend time learning about how to become involved politically and positively impact disability rights in your state. Please note: The Capitol building is not air conditioned, so dress in light clothing and bring a bottle of water.
