The AIAA San Fernando Pacific Section, which represents the San Fernando Valley, Ventura County, and Hawaii, sponsors an annual essay scholarship contest for graduating high school seniors who plan on a career in a STEM field. We are working on the subject for the next essay contest.

Unfinished Business

We're looking for new speakers/subjects and tours. We have been hampered lately by the coronavirus. We need to work on getting more members for the meetings and tours. The meetings with ASME and students are helping. The next status report is planned for February
