LETTER FROM THE PRESIDENT

Thank you to all of the SIG members that participated in the 10th International Research Workshop on IT Project Management (IRWITPM) held this past December in Fort Worth, Texas on December 12th, 2015. This was an exciting event for our SIG as it marked the 10 year anniversary of our group. Workshop attendees heard from 10 research presentations as well as an exciting panel presentation. There was a lot of great feedback related to the networking breaks and the nice dinner in the evening at a local restaurant. Finally, during the workshop a business meeting was held where two officers were re-elected for another term. Congratulations to Michael Cuellar (Secretary) and Cecil Chua (Membership and Community Relations Chair)!

Going forward, there are a number of exciting opportunities related to our SIG. We are sponsoring tracks at both PACIS 2016 and AMCIS 2016. PACIS 2016 (http://www.pacis2016.org/) will be held in Chiayi, Taiwan from June 27 - July 1, 2016 and the submission deadline is March 4th, 2016 for our IT Project Management and Outsourcing Track. AMCIS 2016 (http://amcis2016.aisnet.org/) will be held in San Diego, CA from August 11 - 13, 2016 and the submission deadline is March 2nd, 2016 for the IT Project Management Track. We hope to see your research presented at both of these conferences! As for our 11th IRWITPM we will be in Dublin, Ireland in December for the preICIS workshop on December 10th, 2016. The submission deadline for this year’s workshop will be September 1st, 2016. Additional details for all of these events can be found on our website: www.sigitprojmgmt.org

As always, I want to thank our SIG members for their continued involvement in all that we do. Please reach out to me, or any of our officers, with any ideas or questions that you have. I look forward to seeing and hearing from many of you in the coming year! Have a great 2016!
