

Mission

Our mission is to provide a platform for doctoral students and early career scholars to network and access opportunities essential to their career success.

Our community is dedicated to building opportunities and providing support to IS doctoral students globally. A key initiative in this effort is the hosting of **Doctoral Student Corners** at major AIS conferences: **ECIS, PACIS, AMCIS** and **ICIS** with a host of events designed to facilitate networking with senior scholars and peers, highlight research, and enhance the student experience at the conference.

Doctoral students at all levels who are registered for the conferences can attend all Doctoral Student Corner Events at no additional cost.

Our Events

Welcome Reception

A Social Event where students can gather and casually network with each other.

Typically held on the first day of the main conference.

Allows doctoral students to ease into the social aspect of the conference.
