IFRT Proposed Bylaws Changes
2024 Intellectual Freedom Round Table (IFRT) Ballot

Voting Instructions:
The following amendments to the IFRT Bylaws have been approved by the IFRT Executive Committee for referral to the membership of IFRT for ratification.

Please Vote Yes or No on the Bylaws Amendments

Background: When ALA’s new Bylaws were approved in 2023, edits to IFRT’s Bylaws were required to conform with the changes in ALA’s Bylaws. Other operational changes within ALA (for instance, replacing the Midwinter Conference with LibLearnX) required corresponding revisions in IFRT’s Bylaws. As IFRT’s Bylaws were examined closely for this necessary significant revision, other desirable changes were identified.

An Affiliate can ask for advice or support or other appropriate action from the Round Table. Affiliates shall not pay dues, but shall be urged to contribute voluntarily to the financial support of the Round Table.
Section 2. Affiliates may be units of existing regional, state, or local library associations if they so choose. Affiliates determine their own organization, financial structure, policies, and programs, which are not subject to veto by the Round Table. Affiliates may act in the name of the Round Table only when authorized to do so by the Round Table membership, and shall not commit the Round Table by any declaration of policy.

Section 3. A group requesting Affiliate status shall submit a short statement of its membership, purpose, goals, and duration of operations to the secretary of the Round Table. Affiliates shall report their ongoing activities to the secretary of the Round Table at least once a year. If an Affiliate disbands, it shall report this action to the secretary of the Round Table.

RATIONALE: Delete this section. These rules for Affiliates are for an organizational practice that has not existed for a long time within IFRT.
