

TO: Core Board of Directors

TOPIC: 2025 Core IFLA Nominations

ACTION / INFORMATION / REPORT:

ACTION REQUESTED BY: Megan Heady, Core International Relations Committee, Vice Chair

SUBMITTED: December 11, 2024

SUMMARY

Every two years, the Core International Relations Committee evaluates candidates to serve as Core's representatives to IFLA committees and recommends a top candidate for each one. This information is then sent to the Core Board of Directors who are responsible for voting on it.

BACKGROUND

Below are the Core International Relations Committee's recommendations for Core's representatives to various IFLA committees. We did not receive applicants for all the committees with open positions; however, we found a qualified candidate for every committee in which there was an applicant. Candidates were evaluated in accordance with a rubric created by the committee.

ACTION REQUESTED

Below are the recommended applicants for each committee. The International Relations Committee requests that the Board approve the following applicants for the specified roles for 2025-2028 terms.

- Acquisition & Collection Development
 - Michael Levine-Clark
- Information technology
 - Berika Williams
- Library Buildings and Equipment
 - Wendy Tressler
- Subject Analysis and Access
 - Margaret Mering

The following committees have a vacancy, but we did not receive any applications.

- Bibliography
- Preservation and Conservation
- Serials and Other Continuing Resources
