

Background:

At the 2013 ALA Annual Meeting the Affiliate Assembly proposed the attached recommendations for the position of Regional Representative as a replacement to the Regional Director-elect. All voting members of the Affiliate Assembly should take a moment to look over the proposal and cast a vote whether to send this forward to the AASL Executive Committee for final approval and policy change.

The Executive Committee will review this at the ALA Division Leadership Meeting-October 25-26. Changes to the Affiliate Assembly structure will officially take place at Midwinter 2014.

Please cast your vote by October 4, 2013.
