

## **Digital Collections Discussion Group**

### **Digital Scholarship Section**

**Co-Convener Meeting, August 24, 2018, 2:30pm Pacific**

**In attendance: Michelle Urberg, Suzanna Conrad**

#### Minutes

- Mission of the group; discuss feedback from the group: Discussed feedback and finalized an initial charge:
  - To provide a collaborative forum for discussion about digital collections, including how academic and research libraries create digital collections, make them available, and support the creation of digital collections by faculty and students. The group sponsors discussions or programs that support the mission of the [Digital Scholarship Section](#) as it relates to the acquisition, management, and curation of digital collections.
  - Charge will be shared with ALA to update the discussion page; Connect will be updated also.
- Updates from DSS on Midwinter planning: Locations and times will be received by the section and shared out. Likely, the discussion group will have a virtual event.
- Posting additional seeds to the listserv; timing: Determined a few seeds for September.
