The inaugural HxLibraries Community Read is supported in full by Heterodox Academy. The ability for HxA to provide Grants for HxCommunities events and other activities is made possible in full through the support of the John Templeton Foundation. The opinions expressed at these events (or through such activities) are those of the individual Grantees, organizers, speakers, presenters, and attendees of such events/activities and do not necessarily reflect the views of Heterodox Academy and/or the John Templeton Foundation.
