

Stuck in a Routine?

Inviting library staff of color to participate in a research study at the University of South Carolina.

Who?

Any *person of color* who works in a public library.

What?

We want to know what challenges you face when completing routine work.

You will record audio diaries on your phone and participate in an interview on Zoom.

Why?

As routines are repeated, they can easily hide and "normalize" obstacles for staff. We want to learn what this looks like and how staff respond.

What do I get?

\$35 gift card!

This study will help us make libraries better places to work.
