

# Webinar RESEARCH WORKBENCH *for Academic Libraries*

The webinar will offer **1 Continuing Education Credit** from the Medical Library Association, and is approved for the Data Services Specialization.

Thursday, February 16, 2023  
3:00–4:00pm EST

**# Love Data  
Week 2023**

## A FREE DATA TOOL FOR LIBRARIES AND CAMPUS COMMUNITIES

- Longitudinal health data sponsored by the National Institutes for Health (NIH) for behavioral, genomic data, health, and more!
- Access to a cloud-based research platform to access and analyze data.
- Great for students, faculty, and researchers to access one of the largest biomedical and public health data resources of its kind.
