EXHIBIT SETUP

The AGS exhibit hall is designed for 10'x10' booth spaces, 10'x5' booth spaces, or combinations of adjacent booths of that size. You may not bring exhibits that are larger than your allotted space. You may choose your exhibit space by selecting up to 3 preferred locations on the provided floor plan. Once registration opens, the floor plan will be updated daily to reflect available space. You will be placed in your top pick based on a first-come, first- served basis. We will do our absolute best to meet your requests, but your exhibit space is subject to change.
