## ATA 2016 Guidelines Regarding Commercial Support and Disclosure

### **Disclosure**

Speakers/authors/planning committee members/content reviewers/OCPD staff must complete and submit a disclosure statement.

Speakers/authors/planning committee members/content reviewers/OCPD staff are required to disclose **all** relevant and financial relationships that they have with a commercial interest producing healthcare goods and services related to the subject of the accredited activity that have occurred in the previous 12 months.

### **Content Validation**

Speakers/authors are required to prepare fair and balanced presentations that are objective and scientifically rigorous. All clinical recommendations must be based on evidence accepted within the medical profession. All scientific research referred to, reported or used to support a clinical recommendation must conform to accepted standards of experimental design, data collection and analysis.

### **Unlabeled and Unapproved Uses**

Presentations that provide information in whole or in part related to non FDA approved uses of drugs and/or devices must clearly disclose the unlabeled indications or the investigational nature of their proposed uses to the audience. *Please document on the front of this form.*

### **Use of Generic vs. Trade Names**

Speakers/authors should use scientific or generic names when referring to products in their lectures or enduring materials.

Should it be necessary to use a trade name, then the trade names of all similar products or those within a class should be used.

### **Non Endorsement**

USF Health does not endorse any products or services

### **Commercial Supporter Influence**

Speakers/authors are not permitted to receive any direct remuneration or gifts from the commercial supporter(s) of an accredited activity nor should they receive direct input from a commercial entity regarding the content or in the preparation of the presentation(s).
