Who is KLAS?
KLAS has been providing accurate, honest and impartial insights for the healthcare IT (HIT) industry since 1996. The KLAS mission is to improve the world’s healthcare by amplifying the voice of providers and payers. KLAS finds the hard-to-get HIT data by building strong relationships with our payer and provider friends in the industry.
Healthcare Professional shares their experience with the solution they use with KLAS.

Your feedback drives vendor improvement and helps your peers.

KLAS compiles and quality checks data from all evaluations.

KLAS' team of researchers analyze data to identify key trends and insights.
