

Fall Anesthesia Forum

Advancing anesthesia through education and collaboration.

November 21, 2026 | 7:00am–3:30pm | University of Iowa

The Iowa Society of Anesthesiologists invites you to join us for the 2026 ISA Fall Anesthesia Forum on Saturday, November 21 at the University of Iowa.

Designed to bring together anesthesia professionals from across the state, this year's Forum will feature cardiovascular-focused CME sessions, an ASA update, ISA's Annual Business Meeting, resident-led case discussions, and hands-on educational experiences that encourage collaboration and conversation. **More details may be found on our website: www.iasahq.org.**
