

ISA 2026 CORPORATE SUPPORTER PROGRAM

Iowa Society of Anesthesiologists | 515-282-8192 | www.iasahq.org

The Iowa Society of Anesthesiologists is a statewide association of over 350 practicing anesthesiologists, residents and students. ISA is dedicated to the safety of Iowa's surgical patients and was incorporated in 1965 as a voluntary, non-profit association of physicians interested in the practice of anesthesiology.

CONNECT WITH ANESTHESIOLOGISTS FROM ACROSS IOWA.

To support meaningful engagement with ISA members, we offer three Corporate Sponsor levels designed to provide valuable visibility and connection opportunities throughout the year. Each tier is structured to align with varying goals and budgets, while still delivering strong access to Iowa's anesthesiology community. **We also recognize that every organization's objectives are unique, and we are happy to work with you to customize a sponsorship package that best fits your needs.**
