Let's get people to **JOIN** in on the fun! Tell us your **Why**.

Make a video & take a photo.

We have a Picture and Video Station setup. Tell us about your experience as a Louisiana Anesthesiology Member. Encourage people to Join. Post on your social media #LSAHQ23. Please email your video to janna@lsahq.org.

LOUISIANA ANESTHESIOLOGY APRIL 14-15, 2023

LSA Annual Meeting

Renaissance New Orleans Arts Warehouse District • New Orleans, LA

#LSAHQ2023

Target Audience

This meeting is for anesthesiologists, anesthesiologist assistants, nurses, residents/fellows, medical students, and other members of the health care team.

About This Meeting

The purpose of this activity is to identify advocacy issues that are adversely facing the physician anesthesiologist and how that impacts their clinical practice. Provide practical solutions for organizations and individuals to aid in overcoming the adversities. Provide ideas for future planning.

Objectives

At the end of this activity participants should be able to:

- Define comprehensive professional citizenship.
- Describe the scope and limitations of POCUS.
- Apply diagnostic POCUS protocols in practice.
- Utilize POCUS to improve clinical decision-making in perioperative situations.
- Discuss how a free market impacts healthcare pricing and quality of care.

Accreditation and Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of American Society of Anesthesiologists and the Louisiana Society of Anesthesiologists.

The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians.

The American Society of Anesthesiologists designates this live activity for a maximum of **6.25 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Maintenance of Certification in Anesthesiology® and MOCA® are registered certification marks of the American Board of Anesthesiology®. MOCA 2.0® is a trademark of the American Board of Anesthesiology®.

This activity contributes to the CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology® (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.

Commercial Support Acknowledgement

This CME activity is supported by in-kind support from Fujifilm Sonosite.

Disclaimer

The information provided at this activity is for continuing medical education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

Disclosure Policy

The American Society of Anesthesiologists remains strongly committed to providing the best available evidence-based clinical information to participants of this educational activity and requires an open disclosure of any potential conflict of interest identified by our faculty members. It is not the intent of the American Society of Anesthesiologists to eliminate all situations of potential conflict of interest, but rather to enable those who are working with the American Society of Anesthesiologists to recognize situations that may be subject to question by others. All disclosed conflicts of interest are reviewed by the educational activity course director/chair to ensure that such situations are properly evaluated and, if necessary, resolved. The American Society of Anesthesiologists educational standards pertaining to conflict of interest are intended to maintain the professional autonomy of the clinical experts inherent in promoting a balanced presentation of science. Through our review process, all American Society of Anesthesiologists CME activities are ensured of independent, objective, scientifically balanced presentations of information. Disclosure of any or no relationships will be made available for all educational activities.

Disclosures

- A disclosure list will be provided to learners at the meeting.
- All relevant financial relationships for this activity have been mitigated.
- All other planners, faculty, and staff have disclosed no relevant financial relationships with ineligible companies.

Claiming CME Credit

Your opinions for this activity are important to the planning group. After the meeting, participants will receive an email with instructions to claim credit. It is highly suggested that you complete this within 2 weeks, so the planning committee receives accurate feedback.

Participants will need to use their ASA account and password to access the course page.

Can't remember your password?

You can retrieve or set a new password by entering your email address at:

<https://www.asahq.org/member-center/forgot-password>

If you no longer have access to the email on your account, contact ASA Member Services at (630) 912-2552 or email info@asahq.org. Office Hours: Monday through Friday, 7:30 a.m. to 4:30 p.m. CT.

- If you do not have an ASA account, you can create a free account one [HERE](#).

Please do not create a duplicate account it will significantly delay your credit processing.

If you experience difficulties logging in, don't hesitate to contact jpmmeetings@asahq.org; we will be happy to assist you.

1. Complete the evaluation.
2. Click on the certificate, enter the credit you are claiming.
3. Print your certificate or save it as a PDF for your files.
