

AMIN Ambassadors: Lead. Connect. Grow. Are You In?

Last month, we asked you to Lean In with our official Ambassador Call Out. With 31 [AMIN Ambassadors](#) already selected from across our network, the program is building real bridges between agencies and the global AMIN community.

Don't miss out! Nominate your AMIN Ambassador and make sure your agency's voice is part of the conversation.

Agency Spotlight

Hello New Zealand!

harper digital

This month we shine the spotlight on one of our newest APAC members. Founded in 2016, Harper Digital is a 100% New-Zealand owned Google Premier Partner serving New Zealand, Australia and Singapore.

This partnership lets AMIN gain local insights, while Harper Digital connects with a global network to exchange ideas and strategies.
