Colorado/ Wyoming Chapter American Statistical Association Fall Meeting

Anschutz Medical Campus, Ed 2 North, Room P28-1308

Friday, November 2, 2012

Friday, November 2), the CO/WY Chapter of the ASA will be hosting the Fall 2012 Meeting on the Anschutz Medical Campus in Aurora. This event will take place between **12pm and 4pm** in the Education 2 North building, room P28-1308. A link to a map for the AMC campus is given below.

This year, we have 12 speakers that will each give 15 minute talks on a wide range of topics in statistics, and we plan to have complimentary sandwiches from Udi's, like last year. The speakers are from UCD (Downtown and AMC campuses), CSU, Mines, NREL, and UNC. For fun, we will also be raffling off some cool ASA mugs in between the talks.

Information about meeting, including abstracts for the talks, follow below.

We hope to see you there!
