American Statistical Association Survey Research Methods Section 2018 Student Travel Award Application

The Survey Research Methods Section (SRMS) of the American Statistical Association offers a Student Travel Award for students in doctoral programs in statistics, survey methodology, or allied disciplines. Support is offered for students to attend the Joint Statistical Meetings, to be held in Vancouver, British Columbia, July 28 to August 2, 2018. Preference is given to students presenting a paper or poster at the conference. In addition, applications must be supported by a current member of the SRMS section (see below). Typically, awards will be granted to cover expenses up to \$825, which includes membership in ASA and SRMS. Winners are expected to attend JSM sessions and the SRMS mixer on Wednesday night in order to be recognized by our section for your award. Note: previous SRMS student travel award winners and previous student paper competition winners are not eligible for this award.
