

**American Statistical Association Survey Research Methods Section
2024 JSM Student Travel Award Application**

The Survey Research Methods Section (SRMS) of the American Statistical Association (ASA) offers Student Travel Awards for students in any terminal degree program (bachelors, masters, or doctoral) in the area of survey methodology or survey research disciplines. Support is offered for student attendance at the Joint Statistical Meetings (JSM), to be held in Portland, Oregon from August 3-8, 2024. Preference is given to students presenting a paper or poster at the conference. In addition to a short essay and college transcripts, applications must be supported by a current member of the SRMS section with a brief letter of recommendation. Typically, awards up to \$825 are given to include \$800 for JSM expenses and \$25 for student membership in ASA (student membership in SRMS is free). Award recipients are expected to attend JSM sessions as well as the SRMS business meeting/mixer on Wednesday night in order to be recognized by our section for your award. Note: Previous SRMS student travel award winners and previous SRMS student paper competition winners are not eligible for this award.

Name: _____

School and Department: _____

Mailing Address: _____

Street

City

State

Zip Code

Email Address: _____

Phone Number: _____

Degree Program and Expected Graduation Date: _____

Are you presenting a paper or poster at the conference? YES NO

If YES, what is the tentative title for your talk or poster?
