We're looking forward to seeing you at [WSDS 2017!](#) Join the WSDS 2017 discussion group and use it to plan informal meet-ups, trade thoughts about sessions, post your takeaways and photos after you return home, and more! When you post a message, it will be sent via email and appear in the WSDS 2017 discussion group on the [ASA Community website](#). For details about posting to ASA Community discussion groups, see this [tutorial video](#).

How do I use the WSDS 2017 discussion group?

First, sign in and subscribe!

- Sign in using the blue "Sign In" button at the top right. After clicking on the button, use the login name and password you created. You will be redirected to the discussion group after logging in. (If the blue button shows your photo or a blue avatar instead of "Sign In", you are already signed in.)

Available: Event discussion group banners (sizes can vary). Choose to advertise on an event-specific discussion group page and reach attendees for the ASA's events. Each banner includes a link out to one URL of your choice.

How do I use the JSM 2017 discussion group?

First, sign in and subscribe!

- Sign in using the blue "Sign In" button at the top right. After clicking on the button, use the login name and password you created. You will be redirected to the discussion group after logging in. (If the blue button shows your photo or a blue avatar instead of "Sign In", you are already signed in.)
- Select how you receive your discussion content - Click the "Settings" button to the right of "2017 Joint Statistical Meetings". From the drop-down menu that appears, choose a subscription setting. "Real Time" is best if you want to receive notifications for each post (other on-the-fly meetup). Pick "Daily Digest" if you want to get a roundup of the previous day's posts each morning.

ASA events include conferences such as:

- Joint Statistical Meetings
- Conference on Statistical Practice
- Biopharmaceutical Workshop
- Women in Statistics and Data Science Conference
- And more!

See ww2.amstat.org/meetings.

A READABLE AD IS A SUCCESSFUL AD!

- Avoid blinking or flashing text and images
- Choose high-contrast background and font color combinations
- Account for color blindness and other vision disorders
- Highlight key phrases
- Keep backgrounds plain and include white space
- Make sure images clearly support your text and message
- Craft short, clear sentences and paragraphs
- Use common fonts, such as Georgia and Gill Sans, that match ASA graphic standards (<http://bit.ly/2t2q04w>)

Submission Guidelines

- Submit ad graphics in the appropriate dimensions for the ad location you have purchased.
- Use .jpg, .gif, or .png format.
- Typeset your ads in adherence to the ASA's graphic standards.
- Submit one week prior to the date your ad run begins.

The ASA reserves the right to refuse ads at its sole discretion for any reason, including for offensive or inappropriate content.
