## Section Awards

### Submitting a Request for a JSM-related Section Award

Most sections offer an awards program such as JSM paper competition awards, student JSM travel awards, distinguished achievement awards, etc. Because there are so many, we require you to submit an award request using the online form located at the bottom of this page.

All awards that include financial compensation in the form of reimbursement will be treated as an honorarium beginning in 2024. The option of a travel reimbursement sent to ASA after JSM is no longer an option.

Because most awards involve a cash prize only section chairs or treasurers can access, complete, and authorize this transaction.

All awards must be submitted no later than **June 1<sup>st</sup>**.

If a cash prize is included with the award, please let your recipient(s) know they will need to provide both the banking information listed below and a completed [W9](#) (US citizens and permanent residents) or a [W-8BEN](#) (non-US residents) sent through [ASA's secure online portal](#). When uploading the tax form please ensure the name is included in the filename – example: LastName\_FirstName\_W9\_AwardName.

Please submit each meeting or event separately. If two meetings or events should be scheduled in the same room, please enter this information in the “Additional Information” field for both submissions.

All confirmed events and meeting submissions will be posted to the online agenda once scheduled. If you event/meeting is a private event or closed to the JSM public please indicate “closed” or “by invitation only” in your meeting title.

Every effort will be made to schedule the meeting for the preferred date and time; however, alternate meeting dates/times may be used due to the number of JSM events and space limitations.

Off-site or Virtual Meetings:

If you are planning to hold your meeting at a venue other than the headquarter hotel and/or convention center, please indicate your meeting, time, date, and location in the notes field. Or if you are planning to hold a virtual meeting (via Zoom, WebEx, etc.), please indicate your meeting, time, date, and Zoom contact name and email in the notes field.
