Monday 8/9
1:30-3:20 pm  Topic Contributed Panel Session, “Engaging Minority and Underserved Populations in Health Science: Education and Training for Careers in Statistics and Data Science”
   Organizer: Madhu Mazumdar, Icahn School of Medicine at Mount Sinai
   Chair: Madhu Mazumdar, Icahn School of Medicine at Mount Sinai
   Panelists:
   - Jeffrey Leek, Johns Hopkins Bloomberg School of Public Health
   - Melanie Besculides, Icahn School of Medicine at Mount Sinai
   - Vivian Zhang, NYC Data Science Academy

6:00-8:00 pm  TSHS Mixer and Business Meeting on Zoom

Tuesday 8/10
12:00-1:20 pm  Roundtable, “Developing Pathways for Entrance into Biostatistics Programs” with Amanda Rae Ellis, University of Kentucky

1:30-3:20 pm  Invited Panel Session, “Assessing PhD Readiness in Biostatistics”
   Organizers: Thomas Braun, University of Michigan; Ananda Sen, University of Michigan
   Chair: Thomas Braun, University of Michigan
   Panelists:
   - Laura Le, University of Minnesota
   - Mark Van Der Laan, University of California
   - Lu Wang, University of Michigan

Wednesday 8/11
10:00-11:50 am  Topic Contributed Panel Session, “Teaching Anti-Racism in Statistical Training: Progress and Needs”
   Organizer: Amy Laird, Oregon Health & Science University
   Chair: Jodi Lapidus, Oregon Health & Science University
   Panelists:
   - Sarah Andrea, Rhode Island Hospital
   - Anjum Hajat, University of Washington
   - Kalera Stratton, Oregon Health & Science University

12:00-1:20 pm  Roundtable, “Best Approaches to Teaching Statistics Online” with Hoang Nguyen, University of Texas Medical Branch at Galveston

1:30-3:20 pm  *Contributed Speed Session, “Classroom Teaching and Pedagogy”
   Chair: Jamis Perrett, Bayer U.S.

Thursday 8/12
10:00-11:50 am  *Contributed Speed Session, “Research and Educational Tools”
   Chair: Elizabeth Jennings McGuffey, Rice University

12:00-1:50 pm  Topic Contributed Paper Session, “Teaching Statistics in the Health Sciences: Innovations, Updates, and Best Practice”
   Organizer: Philip Martin Sedgwick, St. George’s, University of London
   Chair: Karen Rychlik, Feinberg School of Medicine, Northwestern University
   Presenters:
   - Decolonizing Quantitative Methodology Through Positionality Statements in the Health Sciences: Lessons Learned Teaching During COVID | Regine Haardörfer, Rollins School of Public Health, Emory University
   - Pivoting to Online Teaching in Response to COVID: Self-Led Introductory Statistics for Graduate Students in the Health Sciences | Jamie Sergeant, University of Manchester
   - Communicating Statistical Thinking to Students in the Health Sciences | Kevin Thorpe, University of Toronto

* TSHS is delighted to co-sponsor two contributed speed sessions with the Section on Statistics and Data Science Education. These sessions each contain twenty speed presentations (five minutes each), with pre-recorded fifteen-minute presentations available for streaming. The full list of presenters and presentation titles for these sessions is available in the JSM 2021 online program.
