Job Opportunities

Chair, Department of Statistics Case Western Reserve University

Applications are invited from senior statisticians with outstanding records of research and teaching as well as demonstrated service to the statistics community. Candidates should be capable of giving the newly created Department of Statistics a strong sense of academic direction and of establishing links to the statistics community within northeast Ohio.

CWRU is an Affirmative Action/Equal Employment Opportunity employer. Women and minority group candidates are especially encouraged to apply. Applicants should send a current curriculum vitae and are also invited to submit a letter that addresses how their strengths match the requirements of the position as well as what they perceive its challenges and opportunities to be. Applications and nominations should be sent to

E-Mail Update

The Bay Area chapter of the ASA now has its own electronic mail address. Announcements, job openings and other information that might be of interest to chapter members can be sent via Internet to

sfasa@stat.berkeley.edu

Any of the chapter's officers can be reached through this address as well.

If you have access to e-mail in your home or office, it's likely that you have access to Internet. For example, commercial services such as CompuServe, AT&T Mail and MCI Mail all offer easy to use connections to Internet addresses. However, slightly

different styles of addressing are used within each system. To reach the chapter's electronic mail box from any of these systems, use the following addresses:

from CompuServe,
INTERNET:sfasa@stat.berkeley.edu
from AT&T Mail,
internet!stat.berkeley.edu!sfasa
from MCI Mail,
To: San Francisco ASA (EMS)
EMS: Internet
MBX: sfasa@stat.berkeley.edu
