

Southern California Chapter of the American Statistical Association

The 2026 Regional Data Visualization Poster Competition

COMPETITION RULES

- ✓ See the “PosterInstructions.pdf” file on how to create a pdf poster sized 18 to 24 inches high and 24 to 30 inches wide from a one-slide Microsoft PowerPoint.
 - ✓ Posters must be the original design and creation of the students.
 - ✓ Text should not exceed 25% of the poster layout. The visualization, not text, tells the story. Clearly address research question(s) and how the data were collected and analyzed to answer the proposed question(s).
 - ✓ Subject matter is the choice of the participants. Students may collect their own data or use any published data set. For published data, a reference must be provided.
 - ✓ Students may work individually or in teams up to five students.
-
