

Nevada Chapter of the American Statistical Association 2023 Summer Course

Are you looking for some summer professional development and learning for yourself? Attend the NV-ASA sponsored course:

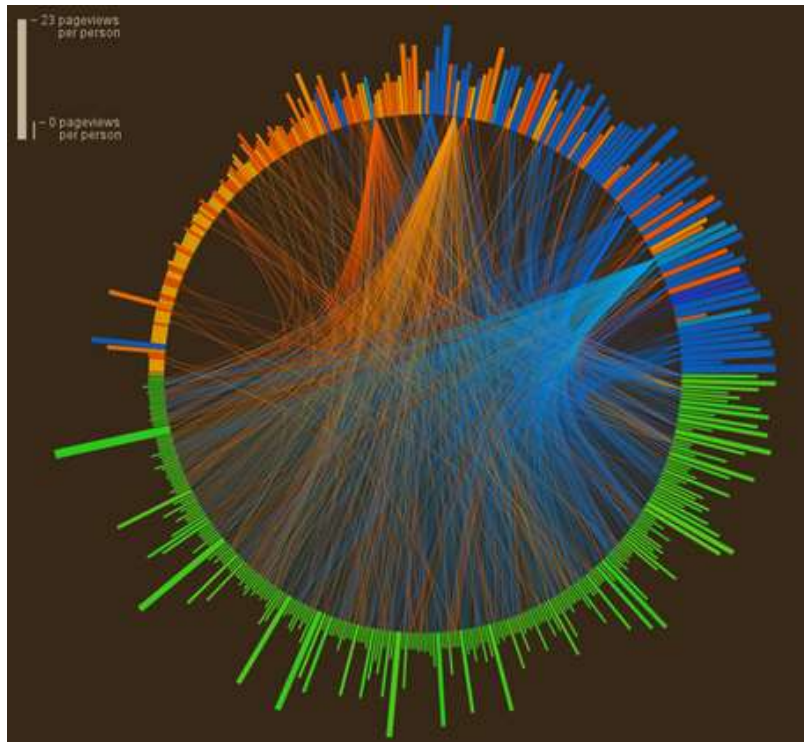

Data Visualization with R

Presented virtually by **Aaron Williams of the Urban Institute**
21 July 2023, 9am to 4pm, via zoom

See the Course Description and learn more about the instructor here:

<https://community.amstat.org/coc/chapterresources/travelingcourse/datavisualization>

The course will focus on the popular R package ggplot2 and the reproducible research framework R Markdown/Quarto.

By Jen Lowe - <http://www.datatelling.com/wikipediaglobalreach/> (screenshots prepared by Jen Lowe), CC BY-SA 3.0, <https://commons.wikimedia.org/w/index.php?curid=16886504>

Cost is \$40 per person for Members of the NV-ASA, Students, Post-Docs, or K-12 educators;
OR \$50 for non-members. Use the link below to join the NV-ASA as well!
