FINDING OTHER MEMBERS

You will find the Member Directory under the Network Tab

The screenshot shows the ASACommunity Member Directory search interface. At the top is the ASACommunity logo and a navigation bar with links: Home, Getting Started, Communities, Sections, Committees, Chapters, Network, Events, Browse, and Participate. Below the navigation bar is a search bar. The main heading is "Member Directory". There are two tabs: "Basic Search" (selected) and "Find members (admin only)". The "Basic Search" form includes input fields for "First Name", "Last Name", "Company Name", and "Email Address". Below these fields are buttons for "Find Members" and "Clear All". At the bottom of the page, there are links for "FAQs" and "Privacy Policy", and a copyright notice: "Copyright © American Statistical Association. All Rights Reserved. Powered by Drupal 6.x".

ACCESSING COMMUNITIES

The easiest way to access your communities is by selecting the “My Communities” option under the Communities Tab.

To navigate to a specific community, click on the title of that community. You can also navigate directly to the community’s discussions or libraries by clicking those items to the right of the community name.

The screenshot shows a list of communities on the ASACommunity website. At the top, there is a filter bar with "3 total" results, a dropdown for "Communities to which I belong", a dropdown for "Alphabetical", and a dropdown for "50 per page". The list includes three communities:

- ASA Leader HUB**: The ASA Volunteer Community is a group for members who volunteer with the ASA in some way, primarily as Chapter or Section Officers or as Committee Chairs or Committee Members. It has 0 Discussions, 0 Libraries, and 1,400 Members. A link to "Enter the group for more details and important documents" is provided.
- Committee on Membership Retention and Recruitment**: See Committee page for charge and composition. It has 497 Discussions, 227 Libraries, and 14 Members.
- Membership Council**: See Council page for charge and composition. It has 178 Discussions, 78 Libraries, and 13 Members.

POSTING MESSAGES

You can post messages to your communities or to the main ASA Connect community.

Once in the appropriate community, select [Post New Message](#)

Note: If you attach a document it will automatically be archived in the resource library.
