Mid-Tennessee Chapter
By Simon Vandekar (President), Amber Hackstadt (Treasurer), Robert Johnson (Secretary), and Rameela Raman (Council of Chapters Representative)

The Mid-Tennessee Chapter hosted a traveling course titled "From R Markdown to Quarto," taught by Mine Çetinkaya-Rundel, a professor of the practice of statistical science at Duke University and developer educator at Posit. The all-day course was conducted at Vanderbilt University Medical Center on October 20, 2023, and attended by 39 participants.

In other news, the chapter is planning to hold its elections for chapter officers.
