

NEWSLETTER OF THE
ALSAKA CHAPTER OF THE AMERICAN STATISTICAL ASSOCIATION

(No. 7, April 27, 1984)

Annual Meeting in October

We will hold our annual meeting in Anchorage in October in conjunction with the Arctic Science Conference. See the attached announcement for general information concerning the Arctic Science Conference. The conference runs October 3-5, and our annual meeting will take place all day Friday, October 5.

Dana Thomas, our program director, has worked out a tentative agenda, including a business meeting, a workshop on statistical software for microcomputers, a noon luncheon, and a contributed paper session. The paper session will be part of the Arctic Science Conference. Titles for contributed papers are due June 1, and abstracts by July 30. Please send titles and abstracts to Dr. John N. Davies, P.O. Box 80721, Fairbanks AK 99708 by the above dates.

Please contact Dana with any suggestions about other activities at the meeting.

November Fisheries Meeting

Some of our Southeast based members with thin travel budgets have been a little left out in recent meetings. With them in mind, Hal Geiger is arranging a meeting in Juneau some time in November. The November meeting will be some-

what abbreviated, coming right after our Annual Meeting in October. We plan to again have a joint session with the American Fisheries Society, as the AFS will also be meeting in Juneau.

If you would like to present a paper to the joint session, please send a title and abstract to the program chairman of the AFS meeting:

Carl Burger
US Fish and Wildlife Service
Fishery Research
1011 East Tudor Road
Anchorage, Alaska 99503

More details will be coming out as they are known. The final call for papers will probably be coming out in July. If you have any ideas about the meeting, call Hal Geiger at 465-4230.

Annual Dues Reminder

Our annual dues are \$5 (\$1 student). Somewhat less than half our members have paid for 1984. If you still owe please send your dues to Don Marx, School of Business, UAA, Anchorage, AK 99508.
