

Leadership-in-Practice Committee (LiPCom)

ASA Biopharmaceutical (BIOP) Section

Established in September 2019

What does LiPCom do ?

Enable advancement
of knowledge in
leadership
development skills
and techniques
contributing to the
field of statistics

Establish and
maintain liaison and
cooperation with
other professional
leadership
development
organizations or
entities

Plan, organize or
support appropriate
sessions on
leadership
development training
or discourse at JSM,
as well as other ASA
or BIOP forums as
feasible

Contribute to shaping
the discourse across
ASA on the evolving
expectations around
leadership, influence
and impact

Enable the development
of curricula and leadership
training programs and
workshops.
Provide annual updates
at Biopharmaceutical
Section Executive
Committee

Establish and
maintain liaison
with other
Sections within
ASA

Purpose of LiPCom

TO SERVE AS A
BRIDGE BETWEEN
BIOP AND THE
BROADER ASA

TO DRIVE EFFORTS TO
ESTABLISH, PROMOTE AND
MAINTAIN BIOP
LEADERSHIP DEVELOPMENT
PROGRAMS

TO WORK IN COLLABORATION
WITH OTHER BIOP COMMITTEES
IN RAISING VISIBILITY ON
MENTOR/MENTEE ENGAGEMENTS
ACROSS BIOP
